

Hopson Street upgrade

New trees and footpath, Wilton Terrace to Elizabeth Street, Torrensville.

Survey

The City of West Torrens is proposing to upgrade footpaths and plant new street trees along Hopson Street and we'd like your feedback.

Please select one of the options below and provide any feedback for us to consider. You can return this form in the enclosed reply paid envelope, in person to 165 Sir Donald Bradman Drive, Hilton or you can complete an online survey at yoursay.westtorrens.sa.gov.au/hopsonst
You can also scan and email this form to info@wtcc.sa.gov.au

All responses must be received by 5pm Thursday, 16 March 2023 to be considered.

Name(s):

Street address:.....

Please select one option

☐ **Option 01:**

- Approximately 28 small sized new street trees on western/southern side of the road.
- New brick paved footpath (and driveway crossings) on western/southern side of the road.
- No new landscape or trees on eastern/northern side of the road.
- No upgrade of footpath on eastern/northern side of the road.
(May possibly occur in the future, with or without additional new trees)

☐ **Option 02:**

- Approximately 20 medium sized new street trees on western/southern side of the road.
- Removal of existing footpath to western/southern side of road. Driveway crossings reinstated with brick paving. Opportunity for landscaped or grass verges.
- No new landscape or trees on eastern/northern side of the road.
- New brick paved footpath (and driveway crossings) on eastern/northern side of the road.
